What Our Company Name, “METAL ACT,” Signifie

Iron and steel and nonferrous metal are supporting various industries. Today, along with the internationalization of the manufacturing business, global competition is getting severer. In this business environment, METAL ACT is in active business activities in order to contribute to the industrial development. “ACT” of our company name, METAL ACT, stands for “Advancement, Creation and Trust,” representing our wishes. Our wishes are to keep ourselves updated on ever-changing needs through our network, to contribute to the industrial development, to deepen the relationship of trust with our customers, and to promote our creative activities. And our wishes are also our missions.
